## FSG Announces Vice President Brian Dwyer - Houston

---

---

*"My number one goal is to bring  
unity to FSG; we are better  
together." - Brian Dwyer*

---

With an improved vision, FSG is actively taking steps to become one unified institution. FSG continues to move in this direction with the naming of Houston's newest Vice President, Brian Dwyer.

Marking his 26th year with FSG, Brian brings experience in leadership, sales, and customer experience, as well as a clear-cut vision for success. He attributes his ability to inherently understand his customers' needs to his years serving in sales and management roles.

---

---

Brian is honored to lead the Houston team into the next phase of the business. His plans include bringing a sense of unity to FSG Houston. With such vast opportunities in the surrounding area, operating as one conglomerate will be a paramount factor in attaining success. With the emergence of his vision, Brian will focus the team on the processes that bring positive results, ultimately boosting morale. Brian aims to venture into tenant build-out and further expand their technology service sales capabilities.

Join us in congratulating Brian on his new role and supporting his vision for the future of FSG Houston.
